Mr.
Milos Vavra

Vienna, 23 August 2007

Dear Mr. Vavra,

I enclose with this letter the formal decision of the Claims Committee on the claims for compensation which you submitted to the General Settlement Fund.

My purpose in this letter is to explain the effect of the decision reached in your case. The precise details are covered in the various documents attached to this letter.

Claims-based procedure. In your case you claimed for losses under the claims-based procedure established by the Law on the General Settlement Fund. After a careful evaluation of all evidence submitted by you and of other evidence available to the Fund through its own research, your claim has now been decided. I am glad to be able to tell you that your claims have been upheld by the Claims Committee.

Equity-based procedure. Claims originally submitted thereunder as well as claims rejected under the claims-based procedure have been examined in the equity-based procedure. Some of your losses submitted under the equity-based procedure have been accepted and some rejected by the Claims Committee.

You will find the reasons for each rejected claim in the decision. Alongside each accepted claim you will find the value assigned to it by the Claims Committee. **I must stress, however, that this valuation does not represent a payment figure. The payment figure will be established at a later date and will only be a percentage of the value now assigned. It will be notified to you separately then.**

You should note also that it is open to the Claims Committee itself at any time to re-open this decision if new evidence comes to light, in particular regarding inheritance.

Review. Under certain conditions you may have the possibility of applying for a fresh decision on claims decided under the claims-based procedure. Equity-based claims are not subject to any form of reconsideration. Since you submitted claims under the claims-based procedure I may draw your attention to the enclosure "Information - Review".

If you do wish to apply for a review in this way, please note that - in the interest of all claimants - strict time limits must be observed, which can under no circumstances be extended; these time limits are explained in the enclosure.

Initial payment (advance payment). I am glad to be able to inform you that on 7 December 2005 the last class-action suit of the class-action suits relevant for the General Settlement Fund was rejected in the USA. Through this, "legal closure" has been obtained. Also the General Settlement Fund Law has been amended. On principle, initial payments to applicants are now possible.

If your application meets the requirements for an initial payment, that means, if in your case the amount calculated for your initial payment amounts to more than USD 500, you will receive an information package containing all the relevant details as soon as the deadlines have expired for you.

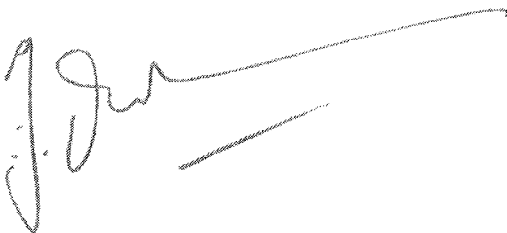

Conclusion of the procedure (further payment). Lastly, you will naturally be anxious to know when the final stages are likely to be completed. The process is under way but, as the Fund has received roughly 20,600 applications for compensation, you will understand that some time will still be required before the whole process is complete. I cannot forecast how long that will be, but you have my personal assurance that the General Settlement Fund will continue to handle all applications fairly, and as quickly as circumstances allow. Only after deciding on all applications and conclusion of the entire procedure will it be possible to examine a possible further payment, while taking into consideration the remaining means of the Fund.

If you require further explanation, the staff at the Fund remains at your disposal and can be contacted as follows:

According to Sect. 17 of the General Settlement Fund Law (Bundesgesetz über die Einrichtung eines Allgemeinen Entschädigungsfonds [...], BGBl. I Nr. 12/2001, short: GSF-Law) and Sect. 18 para. 1, 3 and 4 of the Rules of Procedure of the Claims Committee (short: Rules) you have the opportunity of applying for a fresh decision in the **claims-based procedure** in the following cases:

ANTRAGSKOMITEE · CLAIMS COMMITTEE

The Claims Committee of the General Settlement Fund for Victims of National Socialism takes the following

DECISION

on the application of

**Milos Vavra,
born on 2 October 1941**

by its Chairman Sir Franklin Berman and the Members of the Claims Committee G. Jonathan Greenwald and Dr. Kurt Hofmann.

1. Losses of Franz Friedrich Grünbaum, born on 7 April 1880

The applicant is entitled to an inheritance share of 50%.

Franz Friedrich Grünbaum was the great-uncle of the applicant. The late Franz Friedrich Grünbaum predeceased his wife Elisabeth Grünbaum. They did not have any children. Franz Friedrich Grünbaum was the uncle of Marta Bakalová. The family relationship of Franz Grünbaum to Marta Bakalová, the applicant's mother, and subsequently to the applicant is verified by the inheritance documents submitted to the General Settlement Fund. There are no further descendants known to the General Settlement Fund. Consequently, the applicant inherits half of the estate of Franz Grünbaum.

1.1. Movable Property: paintings and graphics, jewelry, cash, book

The applicant has chosen the claims-based process.

The claim is **accepted in the claims-based process**. The loss is assessed at US-\$ 35,677.00.

Taking into account the applicant's inheritance right the claim amounts to **US-\$ 17,838.50**.

1.2. Stocks / Securities: according to the property declaration of Franz Friedrich Grünbaum, no. 44614

The applicant has chosen the claims-based process.

The claim is **accepted in the claims-based process**. The loss is assessed at US-\$ 3,480.00.

Taking into account the applicant's inheritance right the claim amounts to **US-\$ 1,740.00**.

1.3. Debentures: Royalties

The applicant has chosen the claims-based process.

The claim is **accepted in the claims-based process**. The loss is assessed at US-\$ 15,834.58.

Taking into account the applicant's inheritance right the claim amounts to **US-\$ 7,917.29**.

1.4. Insurance Policies: Riunione Adriatica Vienna, policy no. 358.252/253a

The applicant has chosen the claims-based process.

The claim concerns an insurance policy issued by an insurance company which is not considered to be an Austrian company within the meaning of Sect. 18 para. 1 of the General Settlement Fund Law. The claim is directed against a company which is already covered by ICHEIC (International Commission on Holocaust Era Insurance Claims). Sect. 18 para. 1 lit. 2 of the General Settlement Fund Law expressly excludes such claims from the scope of application of the General Settlement Fund Law.

1.5. Insurance Policies: Riunione Adriatica Vienna, policy no. 358.742/743a

The applicant has chosen the claims-based process.

The claim concerns an insurance policy issued by an insurance company which is not considered to be an Austrian company within the meaning of Sect. 18 para. 1 of the General Settlement Fund Law. The claim is directed against a company which is already covered by ICHEIC (International Commission on Holocaust Era Insurance Claims). Sect. 18 para. 1 lit. 2 of the General Settlement Fund Law expressly excludes such claims from the scope of application of the General Settlement Fund Law.

1.6. Insurance Policies: Viktoria, policy no. 1.285.140

The applicant has chosen the claims-based process.

The General Settlement Fund cannot decide on claims against the insurance company "Victoria Lebensversicherungs AG, Düsseldorf", which is solely covered by the Trilateral Agreement of 16 October 2002 between the International Commission on Holocaust Era Insurance Claims (ICHEIC), the German Insurance Association and the German Foundation "Remembrance, Responsibility and Future".

In accordance with the Agreement concluded with ICHEIC on 26 November 2003, the application was therefore, with regard to this insurance policy, transferred to "Victoria Lebensversicherungs AG, Düsseldorf", for processing. The applicant was informed in writing about this transfer of his application.

1.7. Bank Credits: according to the property declaration of Franz Friedrich Grünbaum, no. 44614

The applicant has chosen the claims-based process.

The claim is **accepted in the claims-based process**. The loss is assessed at US-\$ 1,562.15.

Taking into account the applicant's inheritance right the claim amounts to **US-\$ 781.08**.

1.8. Occupation / Education: actor and writer

The claim is **accepted in the equity-based process**. The loss is assessed at US-\$ 49,135.11.

Taking into account the applicant's inheritance right the claim amounts to **US-\$ 24,567.56**.

1.9. Other Losses: "Reichsfluchtsteuer" and "Judenvermögensabgabe"

The claim is **dismissed in the equity-based process**.

Since Franz Grünbaum's general possessions are now compensated by the General Settlement Fund and since the "Reichsfluchtsteuer" and the "Judenvermögensabgabe" were paid from said property, the payment of the "Reichsfluchtsteuer" and of the "Judenvermögensabgabe" are not compensated by the General Settlement Fund.

The claim value amounts to **US-\$ 28,276.86**.

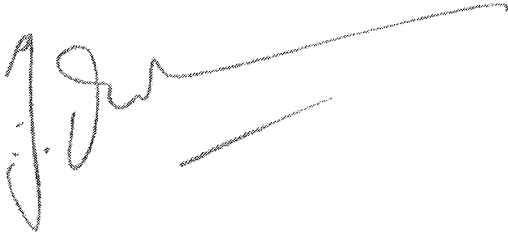

(This claim value consists of the amounts which were accepted in the **claims-based procedure**.)

The assessed value in the equity-based process amounts to **US-\$ 24,567.56**.

(This assessed value consists of the amounts which were accepted in the **equity-based process**.)

The actual payment will only be a percentage of the value now assigned,
and is estimated to be something approaching 13 % in the claims-based procedure and 18 % in the
equity-based process.

This decision is based on the General Settlement Fund's records and knowledge at the time, when it was passed. The right to change this decision in every direction, especially for reasons of newly emerged facts or proof, remains reserved to the Claims Committee until all applications to the General Settlement Fund have been processed.
